

# Our Customisable Solutions

## Functional Services Provider (FSP)

### DRIVE EFFICIENCY AND EXPERTISE

With our FSP solution, you can outsource specific functions within your organisation to us, to enhance your operational efficiency, compliance, and productivity.

## Employer Branding

### ATTRACT AND RETAIN BETTER TALENT

We work as a team to uncover your brand's unique qualities and then build an effective and efficient communication strategy based on your business objectives.

## Recruitment Process Outsourcing (RPO)

### UNLEASH THE POTENTIAL OF TALENT

With our RPO solution, we build a dedicated team of on and off-site specialists to manage everything from consulting with hiring managers on the requisition process to onboarding activities.

## MoveUp (International Mobility)

### ACCESS BOUNDLESS OPPORTUNITIES

Our MoveUp solution supports you by finding the right people from across international borders and ensures full legal compliance with international and national regulations.

## Site Managed Services (SMS)/Onsite

### ON SITE EXPERIENCE

With our SMS solution, companies contract out all their workforce management requirements including payroll and other HR functions to our specialised HR teams in your company's own premises, and even across sites.

## Gi Training

### FUTURE PROOF YOUR WORKFORCE

Our training solution, based on six pillars, helps create and cultivate the skills and competencies your company needs by upskilling and reskilling your candidates and workforce.

## Master Vendor (MV)

### SINGLE POINT OF CONTACT

While we work with other suppliers as co-partners, we remain your single point of contact. We are fully involved in service delivery and accountable for service quality and performance.
