

iPSL: CSR AGENDA

As well as continually striving to achieve their company CSR Agenda - both internally and externally, iPSL supports all employees in their own charitable endeavours by giving them time and monetary donations.

The iPSL CSR Agenda is focused on four areas - Workplace, Environment, Charitable Work and Community Based.

WORKPLACE: iPSL promote healthy jobs and a healthy workplace environment which benefits everyone and has a positive impact on the business results too.

ENVIRONMENT: Having respect and concern for the environment is really important at iPSL. They promote initiatives including reducing energy consumption and waste, fuel consumption, assessing the environmental impact of operations and reducing their carbon footprint where possible.

CHARITABLE WORK: Each year different charities benefit from iPSL's fundraising activities. In 2017, the majority of money raised will be donated to local charities including Cynthia Spencer Hospice and NANNA with the staff of iPSL raising funds with cake sales, raffles, coffee mornings, cycling and running challenges.

COMMUNITY BASED: iPSL colleagues improve the lives of local people by getting involved, building relationships and through volunteering initiatives. Their people are permitted to take two paid days off work every year to participate in voluntary activities, which they must match with two days of their own time.
