

iPSL: CHARITY WORK

In 2016 through the generosity of the people at BPH, Northampton more than £4500 was raised for charity – a fantastic achievement which benefitted the following charities:

- Animals in Need
- Children are Butterflies
- Children in Need
- Cynthia Spencer Hospice
- Macmillan Cancer Support.
- MIND Northampton
- Rays of Sunshine
- Save the Children
- World Land Trust

This fundraising was in addition to donating Easter eggs, pet food and supplies, chocolate at Christmas and winter clothes for our local councils.

For 2017 the CSR team at BPH has chosen the following charities:

- Cynthia Spencer Hospice
- NANNA

Our third charity changes each quarter:

- Q1 - Northampton MS Society
- Q2 – Northamptonshire' s Parkinson's Society
- Q3 – Northamptonshire' s Parkinson's Society
- Q4 – Children's Ward at Northampton General Hospital

The funds for all of these charities are raised through a wide range of fun activities including cake sales, raffles, coffee mornings, sky dives, cycling and running challenges.
